Mr. Austin R. Evers  
Executive Director,  
American Oversight  
1030 15<sup>th</sup> Street, N.W., Suite B255  
Washington, D.C. 20005

Dear Mr. Evers:

The Bureau of Safety and Environmental Enforcement (BSEE) FOIA office received your Freedom of Information Act (FOIA) request dated April 8, 2019, and assigned it control number **BSEE-2019-00142**. Please cite this number in any future communications with our office regarding your request. You requested the following:

Any logs or other records tracking incoming and outgoing telephone calls, including telephone billing records, made by Scott Angelle from May 23, 2017, to the date the search is conducted. This includes calls to and from Director Angelle's office telephone as well as any mobile device that he uses for official business.

We are writing today to respond to your request on behalf of the BSEE. We have enclosed two documents consisting of 112 pages, which are being released to you in full. The phone bills show the call log from May 1, 2017- May 31, 2018. Through the cell phone provider, we were able to pull the call log from December 2017 – March 30, 2019. We are unable to get an earlier call log from the cell phone provider.

Regarding your request for call logs and billing records for Director Angelle's office number, we have no records. BSEE does not maintain or have access to call logs or billing records for office phones. We have been informed that we do not have the ability to retrieve or isolate individual person's phone logs.

**Appeal Rights—[43 C.F.R. §§ 2.57, .58, .59](#)**

You may appeal this response to the Department's FOIA/Privacy Act Appeals Officer. If you choose to appeal, the FOIA/Privacy Act Appeals Officer must receive your FOIA appeal soon as possible after this letter. Appeals arriving or delivered after 5 p.m. Eastern Time, Monday through Friday, will be deemed received on the next workday.

**Your appeal must be made in writing.** You may submit your appeal and accompanying materials to the FOIA/Privacy Act Appeals Officer by mail, courier service, fax, or email. All communications concerning your appeal should be clearly marked with the words: "FREEDOM OF INFORMATION APPEAL." You must include an explanation of why you believe the BSEE's response is in error. You must also include with your appeal copies of all correspondence between you and BSEE concerning your FOIA request, including your original FOIA request and BSEE's response. Failure to include with your appeal all correspondence between you and BSEE will result in the Department's rejection of your appeal, unless the FOIA/Privacy Act Appeals Officer determines (in the FOIA/Privacy Act Appeals Officer's sole discretion) that good cause exists to accept the defective appeal.

Please include your name and daytime telephone number (or the name and telephone number of an appropriate contact), email address and fax number (if available) in case the FOIA/Privacy Act Appeals Officer needs additional information or clarification of your appeal.

**Conclusion**

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of FOIA. See [5 U.S.C. 552\(c\)](#). This response is limited to those records that are subject to the requirements of FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:

Please note that using OGIS services does not affect the timing of filing an appeal with the Department's FOIA & Privacy Act Appeals Officer.

You also may seek dispute resolution services from our FOIA Public Liaison, the undersigned, using the contact information provided below.

This concludes BSEE's response to your request.
